JetBlue Flight Attendants File for Union Vote

Fellow Crewmembers,

After a years' long effort, the Transport Workers Union (TWU) has filed for an election with the National Mediation Board (NMB) to represent 5,000 JetBlue Flight Attendants.

"The IAM congratulates the JetBlue Flight Attendants for pursuing their right to take control of their future," said Transportation GVP Sito Pantoja. "I now encourage you to take the next step and vote yes for our AFL-CIO sister union."

The nearly four-year campaign showed the foresight and desire of the JetBlue Flight Attendants to have union representation so they can be afforded a democratic voice on the job and share in the profits they helped JetBlue earn.

Crewmembers cannot afford to be left out. We must gain IAM representation now, to ensure that we also gain our fair share of the profits we create.
